FISCH & ANGEL 2017 Exhibition on the Success Track

More than 20000 visitors came to Dortmund. The visitors gave a "good" school score for the range of products of the fair. 80% of the visitors already pronounced a visit next year. Half of all visitors had traveled more than 100 kilometers, including 12.8 per cent, who had driven more than 300 kilometers for the FISCH & ANGEL.

Trade Fair Visit with Dogs

Dogs are generally welcome at the FISCH & ANGEL and JAGD & HUND fairs; however they must have a valid and certified anti-rabies vaccination. The vaccination is valid when your dog has been vaccinated at least 21 days before the beginning of the fair without exception.
